SUBJECT

Application for an open position

Dear Hiring Team,

Thank you for the opportunity to submit my details. I am writing to express my interest in joining your organisation in a role within management or back-office operations and related support functions. I bring hands-on experience in reconciliation and financial operations, and I am motivated to contribute to a professional team in Germany.

I currently live in Baesweiler and hold a Chancenkarte (§20a AufenthG) — the right to live and work in Germany without employer sponsorship or a visa procedure. Its work-hour limits apply only during the active job-search phase: a concrete job offer is enough to start converting the permit to unrestricted full-time authorisation — a signed contract is not required at that point — and until then the same law permits a risk-free two-week full-time trial (details enclosed).

Alongside my work, I am progressing steadily with my German. I am preparing for telc A2 later this year and intend to continue to B1, and I am committed to ongoing learning and development on the job.

I have attached my CV together with the requested personal and educational documents. I would be glad to discuss how I can support your team and contribute to your operational goals, and I am available for an interview at any time.

Thank you for your time and consideration.

Kind regards,

Arun Murugan
