SUBJECT

Application for an open position

Dear Hiring Team,

Thank you for the opportunity to submit my details. I am writing to express my interest in a role in securities operations — reconciliation, settlements or custody. Over 5+ years at BNP Paribas I reconciled cash and custody positions on SWIFT MT 535/536/940/950, matched trades and settlements across FX, money markets, commodities and equity, and ran fee and commission reconciliation for BGC/GFI, TP ICAP, Tradition, Bloomberg, Morgan Stanley and JP Morgan.

Hiring me costs nothing beyond the salary. I already live in Frankfurt am Main and already hold a Chancenkarte (§20a AufenthG), so there is no sponsorship to arrange, no visa procedure to run and no fee — I can start immediately. A concrete job offer is enough to begin converting the permit to unrestricted full-time authorisation, no signed contract required at that point, and until then the same law permits a risk-free two-week full-time trial (details enclosed).

I am based in Frankfurt am Main. My working language is English; I am also building my German alongside my day-to-day work.

I have attached my CV together with the requested personal and educational documents. I would be glad to discuss how I can support your team, and I am available for an interview at any time.

Thank you for your time and consideration.

Kind regards,

Arun Murugan
